

Jacob Højer Juhl

Webdeveloper

Education

UCL 2023 - 2025

Web development

Through my studies as a web developer, I have discovered that there's a lot of great things about coding and development. I enjoy the entire process of building intuitive and responsive solutions that are used in real life, either by clients or by other colleagues.

UCL 2021 - 2023

Multimedia designer

SDU 2020 - 2021

Sport and Health
